# “Top 10 Bible Doctrines”

***“In a time when the foundational teachings of God’s Word are so evidently missing and so urgently needed, both inside and outside of the Church, Dr. Ron Nyberg, with the insight of a well-educated theologian and the practical application of an accomplished businessman, husband, and father, has written an excellent study of Bible Doctrine. His book is clear and concise. I recommend it wholeheartedly.”***

**Dr. Jimmy Jackson, Head Pastor (2013)  
Whitesburg Baptist Church**
